St. Charles School Annual Fund
8 Myrtle Street
Woburn, MA 01801

@saintcharleswoburn

Why donate to the Annual Fund?

A robust Annual Fund has the power to impact the educational experience of all students as well as the remarkable work of our teaching staff.

What has the Annual Fund provided?

Over the past few years, your contributions have supported improvements to our buildings, such as the renovation of the roof, new flooring and painting in the lower school, and energy efficient lighting that will save money and resources in the future. We've also been able to enrich the academic experience of our students through enhancements such as purchases of ChromeBooks, which will continue this year.

What will the future provide?

In the next couple of years, we hope to continue the process of replacing over 100 windows across our campus and invest in further improvements to the upper school such as new floors and a lift to make the new gym accessible to the entire community.

To support these exciting initiatives, please visit us at saintcharleswoburn.com or mail checks to:
